

Effective July 1, 2017 we will be at a new location: 2260 N. Ridge Road, Wichita, KS 67205.

This new location will have everything that our current location has to meet any compliance expectations.

During our transition our team is working diligently to coordinate compliance visits from CRAs the first 4 weeks that we are at our new facility, starting July 6th, 2017. Any changes in the new space that differ from our current space will be noted below.

Travel information and directions to the new facility will be forthcoming.

Clinic & Laboratory Features *(more information available upon request)*

Lab: Centrifuge (2), -80° C freezer; CLIA exempt, certificate on file. Staff IATA certified. *Local lab:* LabCorp or AMS Laboratories.
