

COVID-19 STUDY

**Have you been tested
for the Coronavirus
(COVID-19) on a PCR
test?**

**If positive, has it been at least 14-90
days since your symptoms started?**

**If negative, have you tested within the
past 7 days with no known contact with
someone who has tested positive?**

**Contact
316-838-7700
to learn more.**
